DAYS OF Heaven

SITA's **Best of China with Yangtze River Cruise** begins in Shanghai, "the Paris of the East". A city tour includes a visit to Yu Yuan Garden and a drive along the famous Bund, the wide, tree-lined avenue along the Huangpo River and the former 'Wall Street' of foreign powers.

Zhujiajiao is a water village on the outskirts of Shanghai, which was formed about 1,700 years ago. 36 stone bridges and numerous rivers line Zhujiajiao, and thousands of ancient buildings still line the riverbanks today.

Fly to Yichang and board a ship for a cruise on China's mighty Yangtze River, the third longest river in the world. After visiting the Three Gorges Dam site, continue to Qutang Gorge, which the river has carved out between sheer precipices of overhanging mountains.

Shibaozhai is literally translated into English as the 'Stone Treasure Fortress'. Shibaozhai is simply a rectangular rock with sheer cliffs that stands on the riverside. A twelve-storey red wooden pagoda was built against the rock wall.

Disembark in Chongqing, skirted on three sides by rivers and nicknamed the 'Capital of the Mist.' Your tour gives you an idea of its rich historical past, including such sites as the General Stilwell Memorial hall.

Visit the archaeological site in Xian to see thousands of Terra Cotta Warriors, which have stood guard over the Imperial Tomb for more than 2,000 years.

Fly to Beijing and explore the Summer Palace, the retreat of China's royal families for over 2,000 years. Take a visit to Tiananmen Square and the Forbidden City. Closed to the common people for centuries, it was only opened to the public in 1949. Don't forget the Temple of Heaven, the country's most popular symbol.

En route to the Great Wall, stop at the iconic Beijing 2008 Olympic Center. Here you will get a chance to see the famous Bird's Nest & Water Cube constructed especially for the 2008 games. It is easy to see why the Great Wall, built 2,300 years ago and extending 3,750 miles, can be seen by astronauts from space!

If you plan to experience **The Best of Thailand**, your first stop is Bangkok. Built on the banks of the Chao Phraya river, this "City of Angels" has a fascinating appeal that is difficult to resist.

Travel by motor launch on the picturesque Chao Phraya River and canals, or klongs, to observe the serene family homes and temples along the waterways. You will pass the famous Royal Barges, excellent samples of Thai craftsmanship and stop at Wat Arun, the Temple of Dawn. Visit Wat Po, one of the oldest and largest temples in Bangkok. Ride on a tuk-tuk, a three-wheeled taxi, to Chinatown for a short walk.

Fly to Chiang Rai where the borders of Thailand, Burma and Laos meet. Visit the Golden Triangle (its sights and scenes present images of a traditional way of life unknown in the western world) followed by boat ride on the Mekong River to see activities along the border of Laos. Stop at Donsao Island on to visit the local market selling local handicrafts. Morning drive to Chiang Mai with stop at hot springs en route. Arrival in Chiang Mai and visit Wat Suan Dok where the ashes of Chiang Mai's Royal Families are interred. Proceed to Wat Jet Yod with its seven spires and incredible architecture commemorating the year 2000 of the Buddha era. Drive up to Doi Suthep to visit Wat Phra Dhat Doi Suthep, the most sacred temple in northern Thailand, containing a holy relic of Lord Buddha.

At Tapae Gate, witness the traditional Thai culture of offering food to Buddhist monks. Take a rickshaw ride to Chiang Mai Gate to visit the morning market. Continue to Wat Srisoda at the foot of Doi Suthep where you can see the Buddhist monks have their morning prayers. Visit a handicraft village to see the manufacturing of lacquer ware, the weaving of Thai silk, paper umbrella making, woodcarving, silverware-making and more delightful arts. Finally enjoy a feast at a Khantoke dinner with authentic traditional performances featuring regional tribes.

Our travel agents are ready to send you on either of these remarkable trips by SITA.

RIVER *Cruising*

German poet Friedrich Holderlin called the Danube “a refreshing, melodious river, sometimes foaming with high spirits, at other times dreaming serenely.”

Traverse one of Europe’s great rivers, on the **Enchanting Danube** river cruise with Uniworld Boutique River Collection. For many centuries, The Danube has been a reflection of Europe’s history—an economic lifeline, a highway to conquest, and a source of inspiration for poets and musicians. Now, it is your turn to be inspired. Discover the inspiration of the Danube, onshore and onboard.

Experience captivating cities and Old World villages. Cruise through Hungary, Austria, and Germany and not only will you be enchanted—as the itinerary name suggests—but amazed, mesmerized and moved.

Visit Budapest, the “Queen of the Danube” offering a vibrant mix of East and West, and Medieval and modern to create one of the most engaging cities in Europe. Spend two glorious nights in the music and waltz capital of the world, regal Vienna. Be charmed by picture-postcard Dürnstein and Melk’s 900-year-old abbey, located in Austria’s lush, vineyard-rich UNESCO Wachau Valley. Experience delightful Salzburg and colorful Passau, home to Europe’s largest pipe organ. Throughout your journey, delve into the splendid tastes of the region as you participate in Uniworld’s Epicurean Adventure Program featuring a special wine tasting at Domane Wachau, as well as a luscious Austrian dessert-making demonstration, and exciting wine and food pairing dinner.

For eight splendid days, celebrate the magic of the Danube in comfort and style sailing onboard Uniworld’s majestic River Beatrice, a luxury floating boutique hotel. “A COLONIAL CITY *on a Beach?*”

Mexico has so many colonial cities that you'll be hard-pressed to find one that hasn't been acknowledged for its beauty, detailed architecture or historical significance. In the historic centers, you'll discover gorgeous civic and religious buildings of diverse architecture, such as the styles seen in Guadalajara, Puebla and Mexico City. In other cities, like Zacatecas, Guanajuato, Queretaro and San Luis Potosi, you'll find an extravagance comparable to that of many European destinations.

Many of these New World cities were built thanks to Mexico's mining boom. In cities like Merida and Oaxaca, you can walk along beautiful streets of mestizo heritage.

And don't forget about Mazatlan, this destination combines traditional architecture in its Historic Center, known as Old Mazatlan. With beautiful beaches, Mazatlan is a perfect two in one combination for your vacation.

The Colonial Cities enjoy the distinction of Mexican destinations, that have preserved important historical and cultural treasures.
